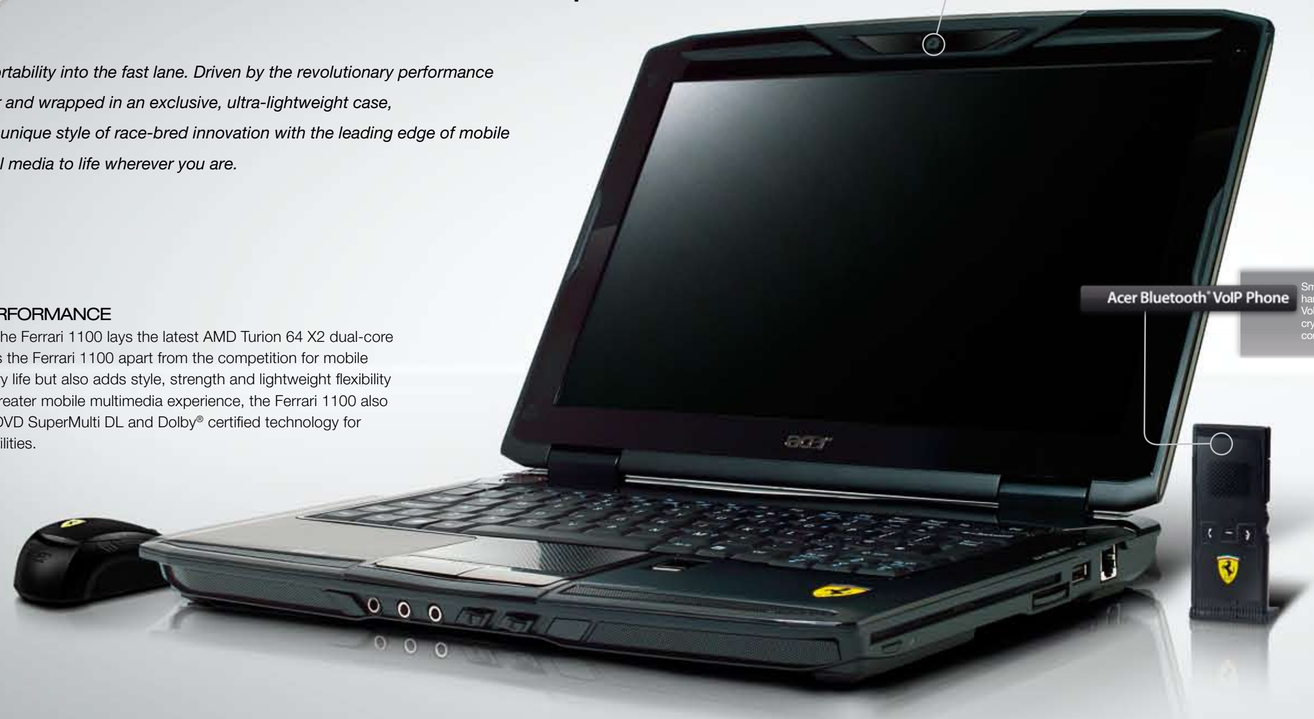
Ferrari 1100 Unique Innovation

The Ferrari 1100 takes ultra-portability into the fast lane. Driven by the revolutionary performance of dual-core processing power and wrapped in an exclusive, ultra-lightweight case, the Ferrari 1100 combines the unique style of race-bred innovation with the leading edge of mobile technology to bring your digital media to life wherever you are.

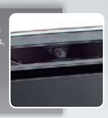
DESIGNED FOR ULTRA-PERFORMANCE

Beneath the carbon fibre casing of the Ferrari 1100 lays the latest AMD Turion 64 X2 dual-core mobile technology that not only sets the Ferrari 1100 apart from the competition for mobile performance and long-lasting battery life but also adds style, strength and lightweight flexibility to your mobile world. For an even greater mobile multimedia experience, the Ferrari 1100 also features an integrated slot-loading DVD SuperMulti DL and Dolby® certified technology for cinema style surround sound capabilities.



Acer CrystalEye

Easy to use and compatible with internet-based video and voice communication services, Acer CrystalEye™ adds unlimited potential and total simplicity to your video conferencing possibilities.



Acer Bluetooth® VoIP Phone

Small, light and easy to handle, the Acer Bluetooth VoIP phone is ideal for crystal clear web phone communication.

Card reader

5-in-1 card reader supporting Secure Digital, Multimedia Card, Memory Stick®, xD-Picture Card™

Biometric finger reader

The Acer Bio-Protection-based fingerprint solution provides an additional level of system security and control through convenient "finger-protection" of selected documents or applications, eliminating the need to remember passwords and PINs, and reducing the cost of security management.

Dolby® Home Theater™

With integrated Dolby® Home Theater™ virtual surround sound and built-in stereo speakers multimedia will explode into life.

FASTER. SLEEKER. LIGHTER. SAFER.

The Ferrari 1100 takes mobile communication to entirely new levels, combining full wired and wireless Draft-n connectivity options with an Acer CrystalEye™ video camera concealed at the top of the 12.1" WXGA display for real-time video conferencing on the move.
With Acer DASP technology providing system shock protection along 3-axes and Acer Bio-Protection fingerprint solution for enhanced network and data security, the Ferrari 1100 is a faster, sleeker, lighter and safer way to take your digital world with you.
